NADDOERS

IN THE BEGINNING,
 God said, LET THERE BE LIGHT,
 Jesus Christ said, I AM THE LIGHT. . .
 THY WORD IS A LAMP
 UNTO MY FEET AND A
 LIGHT UNTO MY PATH.

Because He laid down His life for us, and
 we know His promises are sure, we
 dedicate this Yearbook to our Savior and
 Redeemer JESUS CHRIST, our Light.

The Bible is set forth as Light; Light that points the unsaved to Jesus Christ, the source of Light; Light by which the Christian might live and walk.

The theme of the 1980-81 TEKOA is "Thy Word . . . a lamp unto my feet . . . a light unto my path."

The following comments portray some of the thoughts that enter the mind of a graduate.

"Sometimes the path of life makes abrupt turns. Sometimes these lead through dark and obscure places. It is then that there is great comfort in the promise, 'Thy Word is a lamp unto my feet and a Light unto my path.' As I meditate upon the twists and turns of the path of life, I can only conclude that, 'the Lord directeth his (my) steps.'"

When the way is dark and the path unclear I am also aware of a Presence. I'm sure if I looked back I'd see two sets of footprints. I am reminded of an anonymous poem which expresses this thought. It is entitled, "Dream".

"One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene he noticed two sets of footprints in the sand; one belonged to him, the other to the Lord.

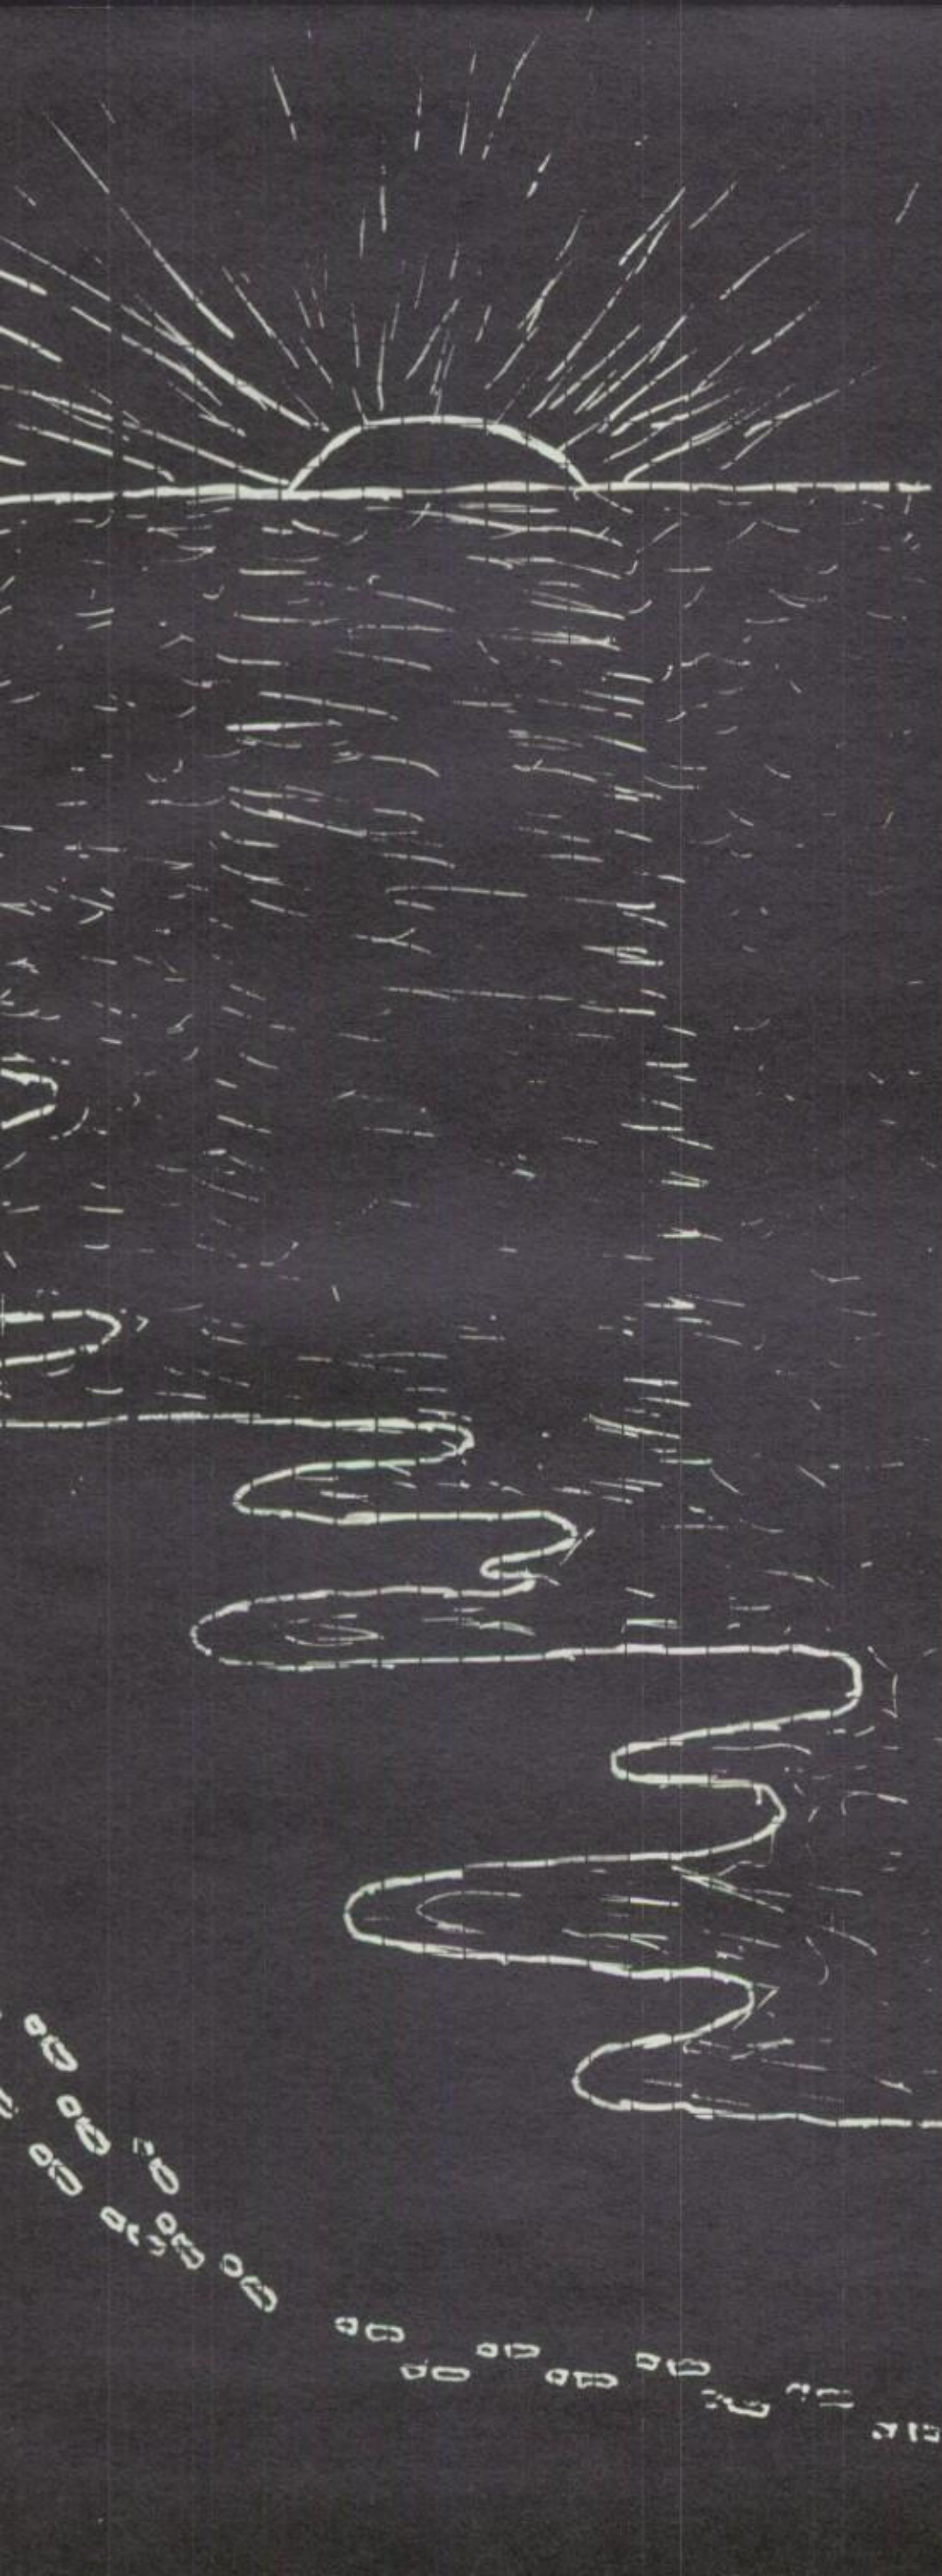

"When the last scene of his life flashed before him, he looked back at the footprints in the sand. Then he noticed that many times along the path of his life was only one set of footprints. He also noticed that it happened at the very lowest and saddest times of his life.

"That really bothered him and he questioned the Lord about it. 'Lord, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life there is only set of footprints. I don't understand why, in the times when I needed you the most, you would leave me'.

"The Lord replied, 'My precious, precious child, I love you and would never leave you. During the times of trials and sufferings, when you see only one set of footprints, it was then that I carried you.' "

When I am reminded that it is the Lord who directs my steps, I begin to see life from God's "point of view". It is at this time that many things become clear. My time here at Timberlake Christian School has been by God's design. My stay here is because of God's direction.

I wonder how my life appears from God's "point of view"? I wonder how Timberlake Christian School appears from God's "point of view"?

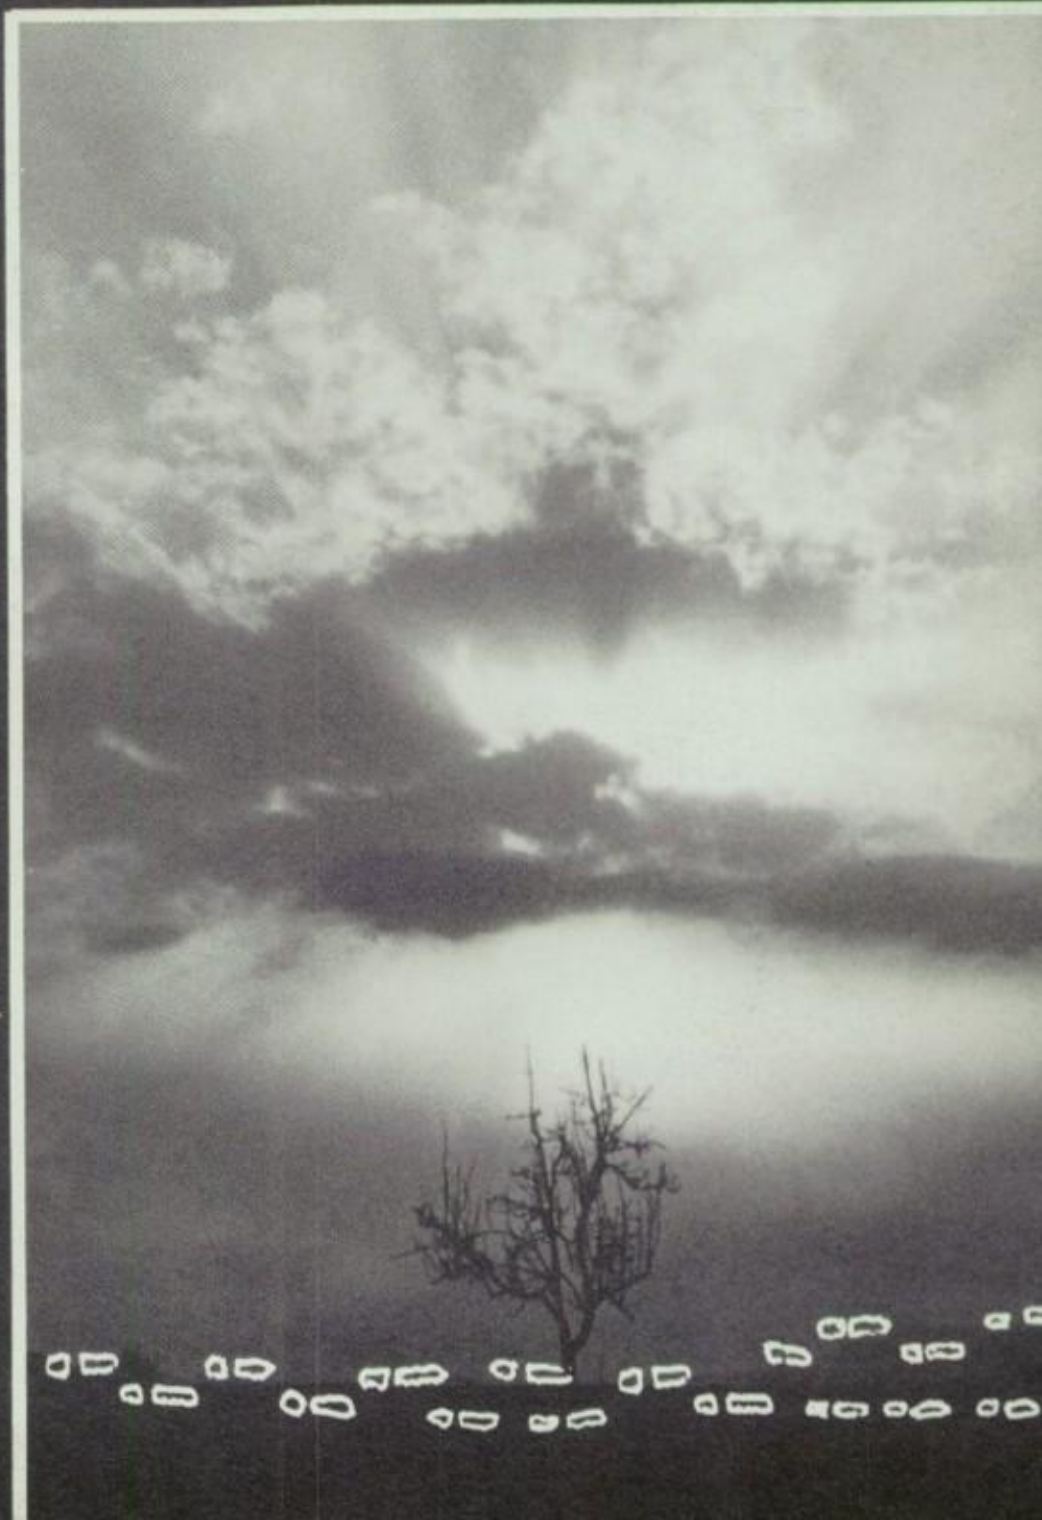

It will only be a short time and the path of life will lead me away from T.C.S. and out into the world. I will be thankful for Christian Education. I will be thankful for the Scripture I was taught, especially, "Wherewithal shall a young man (person) cleanse his (her) way. By taking heed thereto according to Thy Word. . . . "With my whole heart have I sought Thee. O let me not wander from Thy commandments. . . . "Thy Word have I hid in my heart that I might not sin against Thee." I will be thankful for the faithful men and women who taught me the precious truth of Thy Word - such as "Therefore I esteem all Thy precepts concerning all things to be right; and I hate every false way."

When I leave T.C.S. I will want to be a practicing Christian, and not in name only. I will remember, "Order my steps in Thy Word and let not any iniquity have dominion over me."

As I leave the familiar halls of T.C.S. I am thankful that at this age there has been already instilled in me life's most important values and objectives as expressed in this verse, "Fear God and keep His commandments, for this is the whole duty of man." I know the path of life will lead through some dark and obscure places. I will be thankful for the presence of ONE, so close and so real. I will be comforted by "a friend that sticketh closer than a brother."

I must go now and when the way becomes difficult and dim I will remember that Jesus said, "I am the Light of the world." This will be a comfort to me and I will say to Him, "For Thou art my lamp, O Lord, and the Lord will lighten my darkness."

WHAT IS CHRISTIAN EDUCATION AT T.C.S.

First, what is Christian education? It is the educating of the whole man - physical, mental, and spiritual. As we discover and apply the inter-relationships between these areas from a Biblical point of view, we have a Christian education. We feel that when we apply these Biblical Principles that are embodied in Christian education we are following God's direction for developing the total person.

Second, at T.C.S., a Christian education is distinctive because, in addition to what we have just mentioned above, we are learning the principles upon which a Christian nation and society functions. America is different because of her heritage and foundation upon these principles. As we learn and apply them in our daily living, we begin to see the part that we are to play in God's plan for us as individual Christian Americans.

AN EDUCATION THAT IS THOROUGHLY CHRISTIAN IS . . .

Centered on the person of the Lord Jesus Christ, The Revealer of Truth. There are great Biblical Principles that must be integrated into the subjects of the curriculum before there can be an education that is Christian.

An Education that applies the Principles of our American Heritage. Our nation was not only founded by men of Christian Principles, but the form of government and the documents revealed Christian Principles. These Christian foundations must be restored if the rapidly deteriorating foundations of our nation are to be rebuilt.

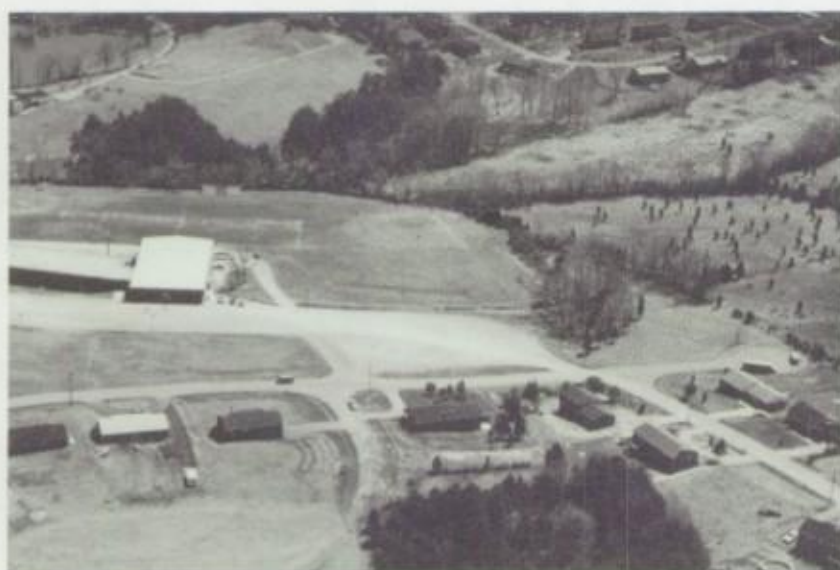

An Education that Inspires students to Attain Academic Excellence. A healthy competition, a recognition through awards, and the challenge for each student to attain his academic potential, combine to inspire students to superior academic achievement.

An Education that offers a Well-Rounded Program in Athletics and other School Activities!

An Education that Trains Students to Exercise Christian Self-Discipline! Students who learn to govern themselves by the Principles of the Bible do not need to be governed by others.

When the Yearbook Staff sat down to think through the events of the year and to attempt to determine just what to include as representative of the 1980-81 school year, they realized it was an awesome task. They thought of all the funny things and happy times that had taken place during the year. It would be good to include all the changes and additions. Also all the programs and sports events, but there is just not enough space for that. So they picked what seems to be a fair representation of the year.

Time and space prohibits comments about everything, but its easy to see that even while keeping up the high academic standard the students of TCS still have lots of fun. We love you TCS.

ATHLETICS

From the writing of the Apostle Paul one can readily see that for thousands of years mankind has pursued some type of athletic competition.

In addition to a high academic program T.C.S. is attempting to produce students that have healthy bodies due to a good physical education program.

In order for a student to realize his or her full potential it is necessary that God-given athletic abilities be developed along with the mind.

At T.C.S. our purpose is to produce well developed students. Christian Education in reality is developing the whole person. Since the theme of our book refers to God's Word being a Light to lighten the path, we want to help develop strong bodies that can endure the path of life.

VARSITY SOCCER

The 1980 Soccer season provided a very exciting experience for those who ventured a look.

This years co-captains, Phil Stephens and Chuck Sanders, lead a team few in number but large in spirit onto the field of competition. Many times the season looked to be a modern day version of the David versus Goliath account. Even with these circumstances a "never say quit" spirit permeated the team.

Whether it was the 1-0 victory over L.C.A. or the 3-2 victory over Roanoke Valley, no one ever failed to carry the Tornado banner high.

The team celebrates after defeating L.C.A.

The 1980-81 J.V. Soccer team was coached by Mr. Ken Brown. Through a tremendous amount of effort and dedication, a very successful season was achieved. Going into the last game, the team was undefeated. Even though Holy Cross won the last game. The team still came out a winner for the year.

Rodney Kane helped coach the team while Mr. Edgar was incapacitated. Everyone was very supportive and proud of the team.

The 1980 season was a rebuilding year for the Varsity Volleyball team. Many of the girls had very little varsity experience due to the graduation of a predominately senior squad the year before. Also, two of the girls had never played varsity volleyball before this year. With entrance into the Blue Ridge Conference, we are faced with playing a higher caliber of competition.

Our 2-16 record didn't place us in the column, but a great deal of experience was gained, both on and off the court. On the court, skills were refined and a total team concept was worked towards. My thanks to the whole team, but in a special way to seniors, Robin Creasy, Ivy Johnson and Lee Ann Robertson.

VOLLEYBALL

J.V. VOLLEYBALL

The J.V. Girl's Volleyball team had an excellent year. We began practice for those who could come early, one week before school began. We went about practice this year with more determination and with better ideas for winning. We went into each game with the attitude of winning. We decided that if we gave the Lord our entire selves during practice, that He would be able to reward us in our games. And that is exactly what the Lord privileged us with.

As a J.V. team we wanted first to bring honor to the Lord by our actions and attitudes; then we wanted our school to be proud of our hard work.

BASKETBALL

"This was a rebuilding year for the Varsity team. We had one returning starter from last year's team and three other players with any varsity experience. Our 2-15 record was not indicative of the effort these young men put forth. No matter what the score, these men were giving all they had. I was very proud to be their coach," stated Allan Edgar, Coach and Athletic Director.

The year did have some bright moments. One of the brightest was our 61-57 breathtaking victory over rival Roanoke Valley Christian. The game was not decided until the final seconds when senior Chuck Sanders hit two clutch free throws to "ice" the victory. Another bright spot was the naming of Bennie Fears to the All-Conference Team in the VIC.

In retrospect, the Junior Varsity Basketball season will be looked upon as a definite building block in the history of T.C.S. athletics.

One definite aspect of this building block is the fact that twice as many students came out for the team as did during the 79-80 season. This is a definite indication of the increasing caliber of athlete which will be privileged to wear the T.C.S. Blue and Gold in the future.

The girl's Varsity Basketball team finished the season with a record of 6-14. Two games went down to the last seconds only to be lost by a point.

Two of the team members tied for the high point in a game honors this year. Dale Abbott had 23 points in the game against Chatham Hall and Lee Ann Robertson matched that in the game against Roanoke Valley. Due to our membership in the Blue Ridge Conference, we were eligible for the first time to place players on all-conference as well as all tournament teams. Dale Abbott was chosen for the All-Conference Honorable Mention team for her play during the regular season.

"Shoot that ball".

This was the first year for our JV Basketball Team. The team was composed of girls from grades 7-8 and one 9th grader. The girls really showed a lot of improvement during the season and learned the importance of team playing. We ended the season with a 2-8 record.

We are proud of all our players for the Christian Character and conduct they displayed.

A special word of appreciation goes to Ann Carwile who was awarded the Most Valuable Player trophy and to Linda Robertson for winning the Coach's Award.

This year's baseball team had a very growing season. The team had some good games, despite their record of 2-10. Their two wins were spectacular as they overpowered Berean and also Augusta. This years pitching was a good one with Chuck Sanders, Ricky McWane, and Benny Fears. This year's team had 15 players, 2 of which were Seniors. The competition was very heavy because the team was a part of the Virginia Independent Conference this year.

Softball is a very competitive sport. TCS girls play hard from start to finish. Everyone likes to come off the field with the most points, but sometimes winning is the satisfaction of knowing one has given their best. Success is not determined today. The way we apply what we have learned will be a determining factor in how successful we will be. TCS is thankful for their athletes and gives a salute to Lee Ann Robertson 1980-81 M.V.P. and to Jackie Lee - Most Improved and to Dale Abbott who won the Coach's Award.

CHEERLEADERS

LET'S GO "Tornadoes"

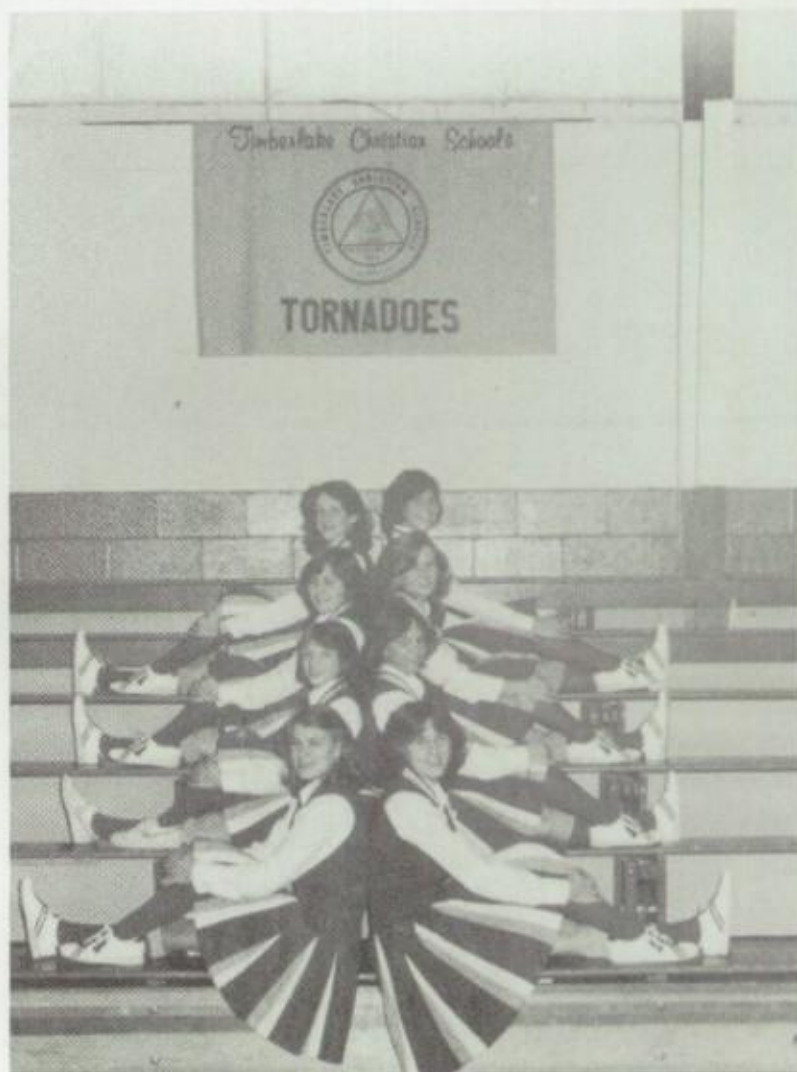

O.K. girls it's halftime, now just don't stand around like it's halftime.

Front to Back: Beth Meade, Rebecca Hill, Marsha Falls, Dawn Duffie, Beth Thomas, Susan Mitchell, Cindy Burleigh, and Lucy Workman.

The 1980-81 Varsity Cheerleader's Squad of TCS began their year by attending Fort Bluff Cheerleading Camp in Tennessee where they received Second Place honors in the overall competition. Besides cheering for soccer and basketball games, the cheerleaders endeavored to raise school spirit by holding pep rallies, posting signs, and selling TCS bumper stickers and spirit ribbons. The highlight of the year was Spirit Week, held Jan. 19-23. This very successful week of fun was topped off with the Homecoming Ceremonies.

Dawn Duffie says, "Hey"

Rebecca and Dawn, "Who's the Greatest?"

All together now, say "AHHHHHH . . ."

Steady now everyone's looking!

J.V. CHEERLEADERS

J.V. Cheerleaders (top L to R): T. Thomas Captain, K. Duncan, K Lotano, (Bottom L to R): T. Aigeldinger, K. Evans Co-Captain, N. Armstrong, K. Butcher, and A. Robbins.

Who's Feet?

We're GRRREAT!!!

Look Ma, no hands!

This is a great cheer, if I could only get up.

Let's do the one where we all stand in a straight line.

V-I-C-T-O-R-Y!

Tornadoes are the Best!!!

This year's J.V. Cheerleading squad was a very lively enthusiastic squad under the guidance of Trina Thomas who served as Captain. Our girls had the privilege of preparing for their year by attending a Christian Cheerleading Camp during the summer in Dayton, Tennessee. Here the girls worked diligently at learning new cheers, formations and pom-pom routines.

After school opened, we began practicing. Each practice session began with a time for sharing, reading God's Word and prayer. Our season included cheering for soccer and basketball games, and encouraging the boys to victory by decorating halls and lockers, and by occasionally providing candy bars!

The teachers at T.C.S. are interested in the students as well as their education. Their job is not just teaching, it is being a friend and someone to talk with about problems and blessings. To give an encouraging word when things are not going very well and to give praise when they are. They are understanding and helpful by actions and not just their words. Teachers encourage the students by using scripture. In counseling with students they use scriptural principles, such as Proverbs 3:5,6- "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."

Probably one of the greatest compliments that has ever been paid to the T.C.S. faculty and administration was expressed recently. One of the graduating seniors stated that T.C.S. not only means Timberlake Christian School, it means Teachers Care Sincerely.

ACTIVITIES

SCA officers discuss one of their projects.

Dani Sanders, Phil Stephens, Chuck Sanders, and Harry Falls four of the SCA officers admire the new TCS logo that hangs in the hallway.

The purpose of SCA is to serve the student. The history of the SCA at Timberlake Christian School has been just that. Last year a project was sponsored which consisted of preparing gifts for residents of Camelot Nursing Home at Christmas.

This year one of our own students was injured in an accident that kept him out of school for several days. Medical expenses were great. The SCA sponsored a project to raise money to help.

SCA

Dale Abbott awards first prize to Sandy Sutherland, winner of Jelly Bean Contest.

Joyce Hamilton receives her first prize award as winner of the M&M Contest.

FBLA officers I. Johnson, Reporter, G. Moore, Treasurer, C. Burleigh, Historian, D. Sanders, Secretary, D. Miller, Parliamentarian, Seated, D. Abbot, President, L. Robertson, Vice President, Mrs. S. Lawrence, Sponsor.

FBLA

The very name of this organization is self-explanatory. Future Business Leaders of America, and that is what they will be. The FBLA took two field trips, one to Nationwide Insurance Main Office, the other to Central Fidelity Bank. The students were excited and amazed at the wide variety of positions that must be filled for these two organizations to function.

It's not all work though, the FBLA sponsored the contest, a fund raiser, and two of our students won a jar of M&M's and jelly beans.

N.H.S.

Because of previous years success with the Poster Sale, the National Honor Society repeated this as a fund raising project. Due to the hard work of Mrs. Gwen McQuaid, the sponsor, and the Societies members, it was again a success.

Of all the organizations to which a student can belong this one is probably the most honor. Membership is based upon the students academic standing as well as other factors. The student must have and maintain an average of 85 in order to be inducted into the National Junior Honor Society. When a student reaches the 11th grade they may, if requirements are met, be inducted into the National Honor Society. This year we had seven all of which were Seniors.

The National Junior Honor Society is an organization of TCS top students. Having maintained a grade of 85 and been voted on by faculty members in the areas of Scholarship, leadership, service, and citizenship, any student from grade 7 thru 9 may, if requirements are met, be inducted into the society.

This is a great incentive for hard work and it pays off. This year we had 24 members of the NJHS.

Jim Dinwiddie speaks to the student body.

The NHS this year consisted of Debbie Miller, Tina Fariss, Lee Ann Robertson, Dani Sanders, Chuck Sanders, Phil Stephens, and Gail Moore.

Timberlake Christian School's Drama Department under the direction of Mrs. Gayle Moak has presented some outstanding productions in 1980-81.

In the fall we were fortunate to have members of the Bob Jones Academy of Arts come and teach our students what it's like to produce and direct a professional production. The performance of the production **Unfeigned Faith** was superb. The cast, though high school students, performed like professionals.

In the Spring, the theme turned from the serious to something lighter, **THE ABSENT MINDED PROFESSOR** kept the audience in stitches.

Hats off to TCS Drama Dept.

The Spring Concert at Timberlake Baptist Church was a big success.

Practice makes perfect

CHOIR

The Bible tells us to, "make a joyful noise unto the Lord." That is what has happened this year at T.C.S. with the choir. Led by Mrs. Glenda Rosevear, the choir performed several concerts at area churches.

Not only did they make joyful noises, they made beautiful melodious, harmonious strains of music.

The choir sang for many of the functions of the school. From Christmas until the end of the school year they sang at several assemblies, at P.T.F. meetings, the Employee Appreciation Night, a concert at Timberlake Baptist Church and at Graduation.

Mrs. Rosevear conducted a concert last year while still a student at LBC.

Cindy accompanies TCS choir.

Chuck and Mark harmonize.

Ivy and Julie sing along.

Scott talks with his family and friends after the concert.

YEARBOOK

The Yearbook Staff in Action.

The members of the '81 Yearbook Staff are (Front to Back) A. Branson, C. Carwile, S. Hellstrom, M. Goff and J. Hatmacher.

The Yearbook is really special to any school. It requires many hours of preparation and many photographs that must be sorted through in order to choose those that best portray the mood of the occasion. When attempting to compile the Yearbook there is so much to consider in order that the entire ministry of T.C.S. be represented. If we have not come up to your expectations please forgive us and pray for next year's Yearbook Staff.

T.C.S. school newspaper "Timbernotes" was published by the Graphic Arts Class. This was a new endeavor and will improve with time. Along with the Newspaper the Graphic Arts students also studied photography and journalism. On May 22 at the P.T.F. Employee Appreciation Night the Graphic Arts students exhibited a display of their work. Some 45 or 50 photographs. The work was quite good for first year students.

What better way to close out the Year's athletic events than a Sports Banquet. The Banquet was sponsored by the Booster Club and held at Eagle Eyrie. Scores of parents and friends were present to hear Jack Dolbin, former football player, challenge students and parents to clear, wholesome, meaningful Christian lives.

Allan Edgar, Athletic Director expressed appreciation to all the athletes and cheerleaders for their participation in the 1980-81 athletic program.

Phil Stephens receives the Male Athlete of the Year Award from Coach Brown.

Leroy Hill Emcee's for the Sports Banquet. He is President of the Booster Club.

Beth Meade and Rebecca Hill present gifts of appreciation to Mrs. Morris and Mrs. McQuaid.

Coach Edgar presents Benney Fears with the Most Valuable Player Award for Basketball.

HOMECOMING

Homecoming is a very special occasion. The anticipation is great and the excitement almost unbearable. For some this is a first. For those who have participated before it is especially exciting. The occasion was even more exciting because Susan Fields, last year's Homecoming Queen, had come back to share the happy occasion. Danny Pack could not come but called to congratulate the 1980-81 Homecoming King and Queen - Gail Moore and Chuck Sanders. We hope you two can be with us in 1981-82 at Homecoming.

Moments of anticipation

"How much longer do we have to wait?"

Gail and Chuck - Homecoming King and Queen.

Dawn prepares for the Homecoming Game.

Susan is a little camera shy. (I wonder why?) Jackie, "Quit MOUSING around."

Spirit Week is truly the proper name for that particular week of school. One can see so much spirit. Spirit of almost everything that's amusing or enthusiastic. At TCS we combine Spirit Week with Homecoming and that really causes everyone to come alive. It would take pages of photographs and copy to tell all that took place and the funny costumes.

Kindergarten is such a precious age. Children have developed to the point they can wait on themselves and are so eager to learn new things and to please the teacher.

God knew this would be the case. This is one reason He is so emphatic regarding the instructing of little ones. He says "Suffer the little ones to come unto me" . . . In Deut. 6:7 "And thou shalt teach them diligently unto the children".

God wants the little ones to be taught His Word and His Way.

Psalms 119:9 reads "Wherewithal shall a young man cleanse his way? by taking heed to thy word".

God's Word to these little ones, will assist them in later life, to walk in the path chosen for them by God.

The production of a Yearbook is a real challenge. It is of great benefit to a school because it records the important events of the specific year. In addition to the Yearbook Staff there are many who contribute to its completion. Because of this we the Yearbook Staff for the 1980-81 TCS TEKOA, take this opportunity to express our appreciation to Lois Carter for helping to type many pages of copy. To Ricky Mcwane, Richard Carter, and Harry Falls for contributing photography. To the Administration and Faculty for their assistance and tolerance of interruptions and rearrangement of schedules. To Timberlake Baptist Church for supporting TCS and giving us encouragement. Most of all to JESUS CHRIST for loving us in spite of ourselves and for extending to us salvation through HIS work on Calvary.
